## DOGGIE DAY CAMP EVALUATION APPLICATION

Day Camp is a cage-free service designed for social dogs to play and have fun. Since safety is our primary goal, Day camp is not for every dog. It is not a place for aggressive dogs to learn to be social. To be accepted into our Day Camp, each dog must complete an evaluation. In order to have an evaluation, each dog must be 12 weeks of age and have completed the first two series of vaccinations, including a Bordetella vaccine.
